Welcome
To the OMYGA

Welcome to Golf

Welcome to Golf learned the OMYGA way.

2018

You are about to begin a real adventure into a lifetime of fun-learning to play golf. Once you have experienced the joy of a long drive, a well placed shot, or a putt that goes in, you will know the thrill and excitement of the sport of golf.

Golf is the most widely played game in the world. Whether you are male or female and regardless of your age, you can enjoy the great game of golf. Children can play with adults, men and women play together, and all may enjoy the game equally. Unlike many other sports, you do not need special athletic ability to enjoy the game. Golf is a great game; you can play it for a lifetime. You don't have to be big, strong, and fast or part of a team to be successful. The more you play it, the more fun it is.

Today, an – ever – increasing number of people of all ages in many parts of the world play the game. One of the reasons its so poplar is because you do not have to be super fit or have a natural eye for a ball to enjoy it. Golf is truly a game for everyone often played in beautiful surroundings.

GOLF OFFERS A WIDE VARIETY OF BENEFITS

1. The game is played outside on some of the most beautiful pieces of land throughout the world.
2. Golf can be a form of exercise. Walking 18 holes is equivalent to walking 5 miles.
3. The game is a great family activity, for children, parents and grandparents.
4. Business throughout the world uses the game to promote their companies.
5. Organizations use golf outings to raise money for charities.
6. Some regions use golf as a major attraction for their tourism, providing millions or even billions of dollars to their economy.
7. Many people use golf for relaxation, to get away from their everyday pressures and to enjoy the atmosphere the game offers.
8. The game builds relationships with friends, family and business associates.
9. Golf teaches you to deal with adversity.
10. To excel at the game, you will learn discipline, dedication and patience.
11. Most of all the game is fun.

Many of today's golfers learned the game when they were young. As their skills increased, some eventually became touring or teaching professionals, while others continued to play for the simple enjoyment that golf brings. Whether they now play on the PGA or LPGA Tour, or play for fun as an

amateur, one thing golfers have in common, they practice, practice, practice, practice.

You can discover the joy of becoming a good golfer and have a lot of fun as you learn and practice the Basic skill of golf.

I would like to open by saying welcome to the 2016 OMYGA Golf Year. I say golf year because while our official season runs from February to the 4th Weekend in October, usually there is golf activities going on year round.

There are perhaps many questions going on in your minds today and we hope to answer those questions or some of those questions tonight, and it not tonight some time in the very near future.

QUESTIONS:

1. Who am I? And who are our Instructors?
2. Why do we do what we do?
3. What is the OMYGA all about?
4. Why should you play this game?
5. Will you be good at the game?
6. How will golf affect your life?
7. Can he or she be a professional?
8. Is golf hard to learn?

DISCUSS GOLF:

1. A game of lifetime fun
2. History of the Game
3. Object of the Game
4. Where the game is played
5. How the game is played
6. Skills necessary to learn and play the game of golf
7. Equipment used to play the game
8. Rules of the game

ISSUES:

1. Punctuality
2. Absenteeism
3. Habit Formation
4. Confusion
5. Practice
6. Play
7. Esprit D' Corps
8. Outings & Events
9. Teaching vs. Learning
10. OMYGA Schedule

Dear Parents:

The 2018 Golf Season for the OMYGA is at hand. We are in the process of making our plans for this season.

Registration Dates		
Friday	January 26, 2018	5:30 p.m. – 7:30 p.m.
Saturday	January 27, 2018	11:30 a.m. – 12:30 p.m.
Callahan Neighborhood Center • 101 N. Parramore • Orlando, FL 32804 (corner of Parramore Avenue & Washington Street)		

Returning Schedule for Students		
New and Second Year Students	February 9, 2018	6:30 p.m.
3RD Year Students & Above	March 2, 2018	6:30 p.m.

The **OMYGA Golf Registration fee: \$150 annually for One (1) Child.**

If you are contemplating returning with your child/children for the upcoming golf season, there are some factors that you should consider:

1. There are other programs that you can become involved with.
2. There are golf professionals who would be glad to instruct your child/children for a fee. This is good should you desire that your child have individual one on one attention. If you can afford such, I strongly recommend that course of action.
3. **Our Annual Fee includes:**
 - a. Administration Cost
 - b. Lunch Expenses
 - c. Training Clubs
 - d. Balls
 - e. Bags (when available)
 - f. Travel Outings
 - g. Lessons
 - h. Golf Course Access
 - i. Uniforms

Our fee is mandatory and should be paid at the time of Registration January 27, 2018. **The program will also be in recess the 4th weekend of each month from lecture and golf play unless otherwise stated.**

Registration Forms are on line at www.omyga.org. All forms must be completed, **Signed, Notarized, and Turned In** by **January 27, 2018**. Registration forms are mandatory as are the Release of Liability forms. If you have more than one child enrolling in the program, you may use one registration form and make photocopies for all other children.

If your child has lost his/her interest in learning the game of golf, I suggest that you not register him/her for the 2017 season.

As for absenteeism and punctuality, the rules will be the same. **Five (5) consecutive absences without a medical excuse are grounds for dismissal.**

As for Esprit D' Corps, I expect the registered youth to participate in all planned activities. I realize that some youth participate in multiple sports, but I assure you that none require more time and practice than the sport of golf in order to learn how to play well.

In golf, every child matures at their own individual pace and that pace should not be compared with others. If the child has a genuine interest in learning the game, he/she should be supported.

Should our program be too taxing for your schedule, I suggest personalized golf lessons and not OMYGA. Another suggestion is for you to get acquainted with other parents of members in the OMYGA, as then you may figure out a way to carpool. I realize how taxing the program can be, but such is necessary for maximum benefit.

Attire for the entire season is White Polo Shirts & Navy Blue Pants. If you have any further questions, feel free to email me at tjdorsey@aol.com or call 407-423-8547.

Yours in Youth Golf,

T.J. Dorsey, D.D.S., P.A.
